

FINANCIAL SERVICES

Financial services clients have been an important part of our focus at Bell Nunnally since 1980. Our philosophy and approach in serving this influential industry is to be ever mindful to balance our clients' ultimate strategic objectives with their immediate bottom-line needs.

Our work on behalf of financial services clients includes serving as trusted counsel in litigation and all types of transactional representations, including commercial finance, mergers and acquisitions, intellectual property and immigration, among others. From negotiating and documenting credit facilities to workouts, foreclosures, litigation regarding loan defaults, noncompete agreements and arbitrations, we provide a full range of services to this important sector.
