

BELL NUNNALLY MARKS 14 YEARS AS
PANCAN PURPLESTRIDE DFW
PARTICIPANTS, SPONSOR – RAISING
NEARLY \$300K SINCE 2008 TO FIGHT
DISEASE/SUPPORT THOSE IMPACTED BY
PANCREATIC CANCER

October 23, 2023

Bell Nunnally sponsored and participated in PurpleStride DFW 2023, a 5K walk/run in support of the Pancreatic Cancer Action Network's (PanCAN) efforts to provide patient resources, support and research in the fight against pancreatic cancer. 2023 marked the 14th year the firm has sponsored PurpleStride DFW, serving as a Premier Sponsor the past 12. To date, the firm has raised \$293,183 since its involvement began in 2008.

"PurpleStride DFW is a date always circled on our calendars. This year, 104 Bell Nunnally participants – employees and their family members and friends – hit the pavement to support those impacted by pancreatic cancer. We're proud to sponsor this regional PanCAN event, supporting the tremendous work the organization does nationwide. We firmly believe that our efforts are part of a larger movement for health and wellness and disease control and eradication," said Christopher Trowbridge, Bell Nunnally managing partner.
