## BELL NUNNALLY PARTNERS WITH NORTH TEXAS FOOD BANK TO HELP FIGHT HUNGER

June 25, 2019

**Bell Nunnally has partnered with the North Texas Food Bank (NTFB) to help fight hunger across North Texas. All proceeds from the firm's micro-market in the employee café are being donated to the NTFB, which provides access to more than 190,000 meals for hungry children, seniors and families across the 13 counties it serves. In fiscal year 2018, the NTFB provided access to almost 72 million meals. Every dollar Bell Nunnally donates yields access to three meals for those in need. Since the partnership's launch in August 2018, the firm has donated more than \$9,000 to the NTFB.**

"The North Texas Food Bank has a vision to create a hunger-free, healthy North Texas. In order to make this a reality, we need support from caring organizations like Bell Nunnally. The proceeds from their micro-market initiative have helped provide an average of 3,000 meals each month for hungry North Texans. We are honored to receive their support and look forward to our continued partnership," said Anna Kurian, Director of Marketing and Communications with the North Texas Food Bank.
