

BELL NUNNALLY TEAM SECURES MULTI-MILLION DOLLAR SETTLEMENT FOR SOLAR ENERGY RENEWABLE LABOR SUPPLIER

January 30, 2024

Partners Saba F. Syed and Perrin B. Fourmy with Associate Catherine B. Baldo secured a settlement of \$2.61M on behalf of a solar energy renewable labor supplier for a 2,000-acre solar farm installation project in Anson, Tex. After inheriting this multi-party case from prior counsel at another law firm, Bell Nunnally aggressively litigated this matter on behalf of the client and secured a decisive win excluding an expert witness and defeating the general contractor's motion for summary judgment and summary motion for lien removal under Chapter 53 of the Texas Property Code. The general contractor and surety agreed to settle within an hour of receiving the ruling. Bell Nunnally secured a settlement with the remaining two parties within one week of securing the win.
