

## BELL NUNNALLY'S CORPORATE PRACTICE NAMED TO TEXAS LAWYER'S 2023 "WATCH LIST"

September 21, 2023

**Bell Nunnally is featured in *Texas Lawyer's* 2023 "Watch List" special supplement, in the category of "Notable Clients/Verdicts." The feature notes that the goal of this publication is to highlight law firms in Texas that should be on everybody's radar.**

Bell Nunnally's *Chambers*-ranked Corporate and Securities practice was nominated for the "Watch List" on the strength of its recent transactions, including a string of acquisitions for a global tax services and software provider; negotiation of long-term leases for Blue Cross and Blue Shield of Texas and Texas Capital Bank; and representing one of Texas' fastest-growing breweries, Rollertown Beerworks, in a deal bringing production and retail to Downtown Frisco. Rollertown and Texas Capital Bank were among the *Dallas Business Journal's* 2022 "Best Real Estate Deals" finalists.

Also included in the submission was the 2021 engagement where Bell Nunnally represented Dallas-based ISN, a third-party contractor and supply management software provider, in a minority financing transaction with private equity firm Blackstone Group. The deal valued ISN at more than \$2B and birthed yet another Texas unicorn.
