October 05, 2023

Bell Nunnally has been named a “Recommended” firm in Texas in *Benchmark Litigation’s* 2024 guide and eight partners are individually recognized – six as “Litigation Stars” and two as “Labor and Employment Stars.”

“Texas is proudly known as the Lone Star State, but, as yet another edition of *Benchmark Litigation* illustrates, we have well more than one litigation star at Bell Nunnally: we have a whole constellation,” said Christopher B. Trowbridge, Bell Nunnally managing partner. “The trust our clients place in us gives our practice and our practitioners the platform they need to showcase their diligence, knowledge and courtroom prowess.”

Benchmark Litigation is the only publication on the market to focus exclusively on litigation in the U.S. and is part of a constellation of global ranking resources. Its annual guide highlights firms and litigators of an “elite” status and is billed as the “definitive guide to the world’s leading litigation firms and lawyers.”

Firm and individual selections for *Benchmark Litigation* are based on comprehensive interviews with clients, litigators and dispute resolution professionals. Casework and peer opinions are solicited and taken into consideration as well. Recommended firms are those consistently mentioned in interviews. “Litigation Stars” and “Labor and Employment Stars” are those “recommended consistently as reputable and effective litigators by clients and peers.”
