

CYBERSECURITY ATTACK 101 – PREVENTION TOOLS AND CRISIS MANAGEMENT

January 18, 2022

Overview:

Partner Saba Syed is moderating a panel titled “Cybersecurity Attack 101 – Prevention Tools and Crisis Management” for the Dallas Bar Association.

Date/Location:

Friday, January 21, 2022
12:00 -1:00 PM

Event Details:

Partner Saba Syed will moderate an informative panel discussion on cyber and ransomware issues for the Dallas Bar Association with Anthony Bégon, former Bell Nunnally attorney and current Head of Litigation and Compliance at McAfee Enterprises. The 1 hour CLE will examine various forms of cyber and ransomware attacks, preventative measures companies can take to minimize the risk of breach and the responses a company should take if a data breach occurs.
