

NACM CREDIT CONGRESS AND EXPO

June 18, 2020

Event Details:

Partner Karen Hart is presenting the webinar “All Things Credit Law” at the National Association Credit Management Credit Congress and Expo.

Date:

June 15, 2020 – August 31, 2020

Overview:

This session covers the legal aspects of credit of which every credit manager should be aware. The session provides an introduction to those newer to credit and an excellent refresher for veteran credit managers. Coverage includes: a) how to read, understand and use contracts; b) the essentials for credit applications; c) personal and corporate guarantee agreements and how to use them as credit and collection tools; d) security agreements, their importance and how to enforce them; e) the lawsuit or arbitration process; f) bankruptcy overview; g) judgments and judgment enforcement; and h) best practices for hiring and managing outside counsel. Overall, attendees will leave with practical tips on how they can use the legal process to improve their bottom line.
