A SOLUTIONS-ORIENTED LAWYER WITH MORE THAN 20 YEARS OF EXPERIENCE, JAROD BRINGS A DEEP UNDERSTANDING OF WHAT IT'S LIKE TO BE THE CLIENT TO HIS CORPORATE PRACTICE. HE HAS SERVED AS BOTH A CEO AND GENERAL COUNSEL FOR COMPANIES INVOLVED IN COMPLEX, MULTIMILLION-DOLLAR DEALS. HIS RARE MIX OF IN-HOUSE AND LAW FIRM EXPERIENCE GIVES HIM A SOPHISTICATED AND STRATEGIC PERSPECTIVE ON CLIENT MATTERS.

Jarod brings deep understanding of the entire business ecosystem to his representation of corporate clients, having previously practiced as an attorney at a large, international law firm and as general counsel for companies in the real estate, technology and healthcare industries. Clients benefit from his ability to add practical insights and creative solutions to multifaceted deal structures, including mergers and acquisitions, strategic alliances, joint ventures and financings.

Leaning on experience gained throughout his career, Jarod provides valuable insight into what a client needs from a law firm and, more importantly, what they don't. Keeping focused on the short- and long-term business implications of a given legal strategy, his approach prioritizes efficient pursuit of the client's organizational objectives. As a trusted advisor, he assists clients with acquisitions, strategic growth initiatives, securities offerings and general corporate advice, focusing on the relationship-building nuances that help clients overcome roadblocks, achieve vital alliances and realize their strategic goals.

With more than 15 years of experience in the healthcare industry, Jarod is well-versed in the unique elements of transactions – ranging from joint ventures and strategic investments to alliances between for-profit and not-for-profit entities – that occur within the healthcare space. He has represented issuers and underwriters in public and private securities transactions, including public and private equity and debt offerings.
